I am Warrior

Children may choose at least 1 project to do at home over the half term. This gives the children chance to be responsible for their own learning and to be creative at home. All completed projects are due in on Monday 3rd April 2017. Good luck!

1. Write some number calculations using Roman numerals for your friends to solve.
2. Find out the dates of birth of your family and friends and record them in Roman numerals.
3. Find out if there are any Roman forts or settlements near where you live. Try to visit one with your family. Take lots of photographs of what you see.
4. Look at Roman artefacts in detail at a local museum or on the British Museum website. Create a PowerPoint presentation showing the artefacts that most interest you and provide information what they were used for.
5. Look at holiday brochures and online information to find out about modern day Rome as a tourist destination. Which tourist attractions would you visit? What is the weather like? Where else would you like to go in Italy?
6. Try to find a map of Roman Britain. Find out about some of the names of towns and cities. What are their modern names?
7. Write a diary entry as if you are a Roman soldier, a slave in a Roman villa or a Celtic child. What is your typical day like?
8. Create a word search or crossword puzzle containing some of the key Roman vocabulary you have learnt. Bring your puzzle to school for your friends to solve.
9. Make a model of a Roman Villa using junk materials such as cereal boxes, coloured paper, tin foil and cardboard tubes. Use online images and pictures in non-fiction books to inspire the layout of your villa.
10. Make a drawing of a Roman God or Goddess. Write a fact file of information about them.
