2. Barriers to future attainment (for pupils eligible for PP including high ability)

In-school barriers	
A.	Targets for Year 2 pupil premium children in Maths and Writing are significantly lower than non PP children to reach expected standard. The target falls to 0% for above expected standard. School leaders including governors will be monitoring this shortfall and see if this gap can be narrowed throughout the academic year of 2018-2019 through our half termly Pupil Progress Meetings.
B.	Oral language skills in Reception are lower for pupils eligible for PP than for other pupils. This has meant a downward trend in phonics results at the end of Year 1. School leaders have initiated a second year of Phonics training from Partner school for all staff involved in the teaching of Reading in EYFS and KS1.
External barriers	
D.	Low aspirations of a small group of PP pupils.
E.	Attendance of a small group of pupils.

3. Desired Outcomes 2018-2019

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Higher rates of progress across school for all pupils eligible for PP to ensure their attainment is in line with 'other' pupils.	Pupils eligible for PP make attainment is in line with 'other' pupils identified, across school in maths, reading and writing. Measured by teacher assessments and successful moderation practices that is established across school.
B.	For a small group of PP pupils to develop resilience and the social/ emotional and communication skills needed to allow them to become good learners.	An increase in PP pupils' resilience and social and emotional development with ensure they make more progress in school bringing their attainment in line with that of 'other' pupils.
C.	Ensure that parents of PP pupils have the tools they need to support their children at home.	Parents of pupils receiving PP funding will show higher level of engagement with school. PP pupils will have more confidence in their ability to support their children at home. Parents be able to provided higher levels of support to their children at home. PP pupils will have the resource they need to fully engage with homework activities set to support them in their learning at home.
E.	Attendance of a small group of pupils.	Reduce the number of persistent absentees among pupils eligible for PP bring it in line with 'other' pupils.

4. Planned expenditure					
Academic year		2018/19			
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all
