Dear Parents/Carers,

Wraparound care at Sandy Lane Primary School

As you know the governors are keen to gather parental views in the playground at least once every term. At the most recent session, last month, there was an extremely positive vibe about school, which was lovely to hear.

There was however, one area of school life where many parents felt that we could improve our provision. This was how we provide wraparound care for children before and after school.

Many parents wanted us to accommodate an earlier drop off and later pickup for those who work or have other commitments at either end of the school day.

We have listened to your wishes and have been in discussion with Bright Sparks, Sandy Lanes existing before and after school provider. Together, we would like to offer a proposal which we think will be of benefit to more of our parents.

We have tried to offer times and a pricing structure which may allow take up from more of our parents, providing that crucial flexibility at the beginning and end of the school day.

The proposals below are put to you as part of a consultation process, with neither timings or costings set in stone. We welcome your feedback, but ask parents to be mindful that running a free service outside the hours already offered would not be viable for the school.

Please could parents indicate on the form attached if they would use the club and if they think the price is fair/reasonable. Please return the form to school as soon as possible, so that we are able to plan for our next steps.

I look forward to receiving your responses so that we can continue to make the provision at Sandy Lane Primary School the very best that it can be.

Yours sincerely,

Mr J. Cooper
Executive Headteacher
