

PE and Sports Premium Funding at Sandy Lane Primary School: 2018 - 2019

What is the Sports Premium?

The government provides funding jointly provided by the Departments for Education, Health and Culture, Media and Sport, to see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. This is called PE and sport premium funding

Sandy Lane Primary School received £18,530 for 2018/19. The money can only be spent on sport and PE provision in schools. The money will be used so that all children benefit regardless of their sporting ability.

Purpose of the funding

All schools have to spend the sport funding on improving their provision of PE and sport, but there is freedom to choose how we do it. At Sandy lane Primary School, we recognise the contribution of PE to the health and well-being of the children. In addition, we believe that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

Effect of PE and Sports Funding

As a result of this funding we are increasing the number of opportunities available for our children over time. This includes opportunities to participate in PE and sport at lunchtimes and outside the school day. We have also developed our staff's ability to teach high quality PE lessons. We have encouraged our children to be active, happy and competitive within a supportive framework which develops and celebrates their sporting talents while giving opportunities to children of all abilities. We do not just always pick the best players. Sometimes we pick children who just want to play with their friends or children for whom this might lift confidence or enjoyment of school. Sometimes we pick children whose work/attitude/behaviour in school deserves recognition and reward. Sometimes we develop more elite teams in order to compete with elites from other schools.

We are establishing a tradition of friendly, competitive participation in a variety of sports. We are a school that values sport and PE because:

Children enjoy it because it's fun to do. It helps them to develop healthy lifestyles.

If taught well it develops their social skills, their humanity and empathy and it teaches them how to persevere and be resilience

SANDY LANE PRIMARY SCHOOL

Sports Premium Funding

(September 2018-2019)

Sporting Objectives for 2018-2019	Actions	Expected impact	Time Frame	Resourcing
<p>Continue to raise profile of sport and PE across school.</p>	<ul style="list-style-type: none"> AHT to be Sport and PE coordinator. Provide support for PE planning across school.
