

SANDY LANE PRIMARY SCHOOL

PUPIL OFFER

At Sandy Lane Primary school we are dedicated to ensuring we offer our children a wealth of opportunities, including opening their eye to the world of work. We are keen to work with local businesses to show the children what is happening in and around their local community. If you have a business in or around Sandy Lane we would love to invite you into school to talk to the children. If this is something you feel you can help us with please message the school office at: office@sandylane.bradford.sch.uk

Our Learning for Life curriculum is enriched with visits and activities outside the classroom. We call this our, 'Pupil Offer'. These opportunities complement our curriculum and provide memorable experiences for the children.
